Mid High Principal - April 2025

Europe 2025

During Spring Break, over 30 students from Grades 10, 11, and 12 embarked on an incredible overseas adventure, exploring the sights and cultures of Europe. Traveling by plane, train, and bus, they had the opportunity to visit four different countries.

Travellers even got a bonus two night stay in Toronto!

Seaker Extraordinaire!

Sania G. qualified for the World Individual Debating and Public Speaking Championships in February (one of 18 spots across Canada), and she and her family travelled to Kuala Lumpur over spring break for this competition. For the first time ever, Sania **WON** in TWO categories, Impromptu speaking and Interpretive, **AND** she placed **FIFTH** out of 180 competitors worldwide. This is quite literally the achievement of a lifetime, and in Sania's words "life-changing".

Some incredible news from the Provincial Debate Tournament held on April 5th at North Trail High School – Westmount students had an outstanding showing and brought home nearly all of the top awards!

- Dipto S. & Stephen Y. – Qualified for **Senior Nationals** next month in Saskatoon and were awarded 1st place in the Senior Open Team category.
- Eirena W. & Thorin T. – Qualified for **Junior Nationals** next month in Montreal and were awarded 1st place in the Junior Open Team category.

Debate

A huge congratulations to Eirena W, who was nominated and received the **Alberta Janet Garten Junior High Commitment and Dedication to Debate Award** – a meaningful recognition of her leadership and passion.

Talent Show

The Student Council hosted our annual Talent Show during the week leading up to Spring Break. Both staff and students wowed the audience with incredible performances, showcasing a wide range of talents.

Window Art

Grade 6 students in Mrs. Shields' class completed their annual window art display, bringing a splash of bright, cheerful colours to the classroom. Inspired by a spring theme, their artwork has transformed the windows into a vibrant celebration of the season. Next time you're in the West Field, be sure to look up at the second-floor windows to admire their amazing creations!
