June marks the end of Term 2 and the school year for Westmount. With the end of term is our Exam break for our Grade 9 -12 students. Students are not required to be at school on non-exams days, however they can email their teachers to make arrangements to come in for extra study sessions. Students who do come to school are reminded that it is for studying and to respect the classes that are still running (as well as the quiet needed for students who are writing exams). It is not meant to be a place to hang out and socialize for the day.

Grade 5-8 students will continue to have regular classes.
